

2nd International conference

«DEVELOPMENT OF THE OIL AND GAS INDUSTRIES, MODERN
ENERGETICS AND THEIR ISSUES»

<http://conf.tcti.uz>

INFORMATION MESSAGE INVITATION

Dear Colleagues!

We cordially invite you to take part in the 2nd international conference
**"Development of the oil and gas industries, modern energetics and
their issues"** dedicated to the 30th anniversary of the Tashkent Chemical-
Technological Institute, which will be held on October 29 - 30, 2021 in the
capital of the Republic of Uzbekistan, Tashkent city.

Since ancient times UZBEKISTAN has been considered a crossroads of
ancient caravan routes, a meeting place for languages, cultures, and
civilizations. There Great Silk Road connecting Russia and other European
countries, China, India, Central Asia, Iran, Iraq, as well as other countries of
the Middle East and the Mediterranean.

Welcome to the conference in sunny Tashkent!

*Yours faithfully,
Organizing Committee*

Conference organizers

- Tashkent Chemical-Technological Institute (TCTI)
- JSC "UZBEKNEFTEGAZ"

Conference partners

- Ministry of Higher and Secondary Specialized Education of the Republic of Uzbekistan
- Academy of Sciences of the Republic of Uzbekistan
- Russian University of Chemical Technology named after D. Mendeleev, Russia
- Kazan National Research Technological University, Russia
- St. Petersburg State Institute of Technology
- Gubkin Russian State University of Oil and Gas
- Belarusian State University of Technology
- Atrau University of Oil and Gas

International Program Committee

Usmanov Botir Shukurillaevich, professor (Uzbekistan) - Chairman
Mazhuga Alexander Georgievich, professor (Russia)
Turobjonov Sadritdin Makhamaddinovich, professor (Uzbekistan)
Barakaev Nusrat Razhabovich, professor (Uzbekistan)
Mirzamahmudov Zhurabek Tursunpulatovich, Chairman of the Board of Uzkimyosanoat JSC (Uzbekistan)
Voitov Igor Vitalievich, professor (Belarus)
Krasnyansky Mikhail Nikolaevich, professor (Russia)
Balykhin Mikhail Grigorievich, professor (Russia)
Lee Jae Shin, professor (Republic of Korea)
Zhang Dong, Professor (China)
Marcos Fallanza Torices, professor (Spain)
Dr. Syed Nadeem Akhtar, professor (India)
Julietta Rau, professor (Italy)
Ivanov Alexander Vasilievich, academician (Belarus)
Kazakov Yuri Mikhailovich, professor (Russia)
Kirkor Maksim Alessanrovich, professor (Belarus)
Bashkirtseva Natalia Yurievna, professor (Russia)

Organising Committee

Pulatov Khayrulla Lutfullaevich - Doctor of Chemical Sciences, Prof. - Deputy Chairman
Safarov Toir Tursunovich - Doctor of Technical Sciences, Associate Professor
Shermukhammadov Bahodirjon Shermukhammadovich, Doctor of Pedagogical Sciences, Associate Professor
Mutalov Shukhrat Akhmadzhonovich - Doctor of Chemical Sciences, Professor
Yuldashev Narbek Xudoynazarovich – head of the department, JSC "UZBEKNEFTEGAZ"
Abdullayev Alisher Shonazarovich - Doctor of Technical Sciences, Associate Professor
Xamraqulov Gofurjon Xoligitovich - Doctor of Chemical Sciences, Professor
Safarov Yodgorzhon Toirovich - PhD, Associate Professor
Baltabaev Ulugbek Narbaevich - PhD, Associate Professor
Khuzhamshukurov Nortozi Abdikhalikovich - Doctor of Biological Sciences, Professor
Abdullaev Umid Kuychievich - Ph.D., Associate Professor
Mirzakulov Xoltura Choriyevich - Doctor of Technical Sciences, Associate Professor
Mkrtychyan Ripsime Vachaganovna - Candidate of Technical Sciences, Senior Researcher
Babakhanova Zebo Abdullaevna - Doctor of Technical Sciences, Professor
Adilov Ravshan Irkinovich - Doctor of Technical Sciences, Professor
Aripova Mastura Hikmatovna - Doctor of Technical Sciences, Professor
Aripjanov Oybek Yusupdzhanovich - PhD, Associate Professor
Kadirova Dilorom Salikhovna -PhD, Associate Professor
Mashaev Eldor Ergashvoy ugli - Director of the Research and Training Center "DDTOGAOP" at the TCTI

SCIENTIFIC PROGRAM

The 2nd international conference "**Development of the oil and gas industries, modern energetics and their issues** " will allow to consider the current state of research and practically significant work in relevant areas:

1. The integration of industry, science and education is the basis for training competitive personnel in the oil and gas industry
2. Innovations in deep oil and gas refining
3. Basic organic and petrochemical synthesis
4. Ecology of oil and gas industry
5. Innovations in the field of alternative energy and alternative fuels
6. Energy saving and energy efficiency - factors of sustainable development of the oil and gas industry

The conference program will include 6 plenary reports of leading experts (20 minutes), section reports (10 minutes) and poster presentations. Presentations of the conference participants will be provided both in offline and online formats.

It is planned that the conference will be attended by leading specialists from Russia, Belarus, Spain, Italy, Germany, Denmark, India, Japan, Polish Republic, Romania, South Korea, Kazakhstan, Uzbekistan, and other countries.

Conference participants will have the opportunity to demonstrate and discuss their work, identify promising areas of scientific research, considering their development in other countries and discuss the possibility of creating conditions conducive to mutually beneficial cooperation.

The working languages of the conference are Uzbek, Russian and English.

The Conference offers additionally:

- Round table discussions on topics, exhibitions, and presentations of companies,
- An excursion to the "Uzbekistan GTL" plant is planned **for foreign participants** of the conference,
- Business meetings with main stake holders and representatives of industrial chemical, food enterprises and factories for the production of building materials of the Republic of Uzbekistan.

Location

TASHKENT. The history of the city can be traced back to the end of the 3rd century BC. Today the capital of the Republic of Uzbekistan is the largest city in terms of population in the country and Central Asia, the most important political, economic, cultural and scientific center. More than 20 theaters, 14 museums work in Tashkent, the most ancient unique architectural monuments have been preserved - the mausoleum of Yunus Khan, Kaffal Shashi, Kukeldash, Barakkhan madrasahs, etc.

The conference will be held in the conference hall of the City Palace Hotel, Tashkent.

It is planned to hold a section of young scientists in the conference hall of the Tashkent Chemical-Technological Institute (Tashkent, Navoi str., 32)

Добавлено примечание ([МА(1)]): Bu qolishi kerakmi bilmadim

Registration of participants and publication of works

The program and a collection of publications will be released by the beginning of the conference.

The electronic edition of the abstract will be assigned an International Standard Book Number (ISBN).

Abstracts of all reports in full 1 or 2 pages, including a list of references,

Edited in MS Word, A4 format, including formulas, pictures, and graphics. Figures and formulas should be grouped and edited in MS Word. Margins on four sides - 2 cm, line spacing 1.5, font size - 12. Font - Times New Roman.

Title in the center in capital letters, then the following line: in lower case the names and initials of the authors; next line: organization name, city, country, contact phone number, 1-spaced the text of the article.

IMPORTANT: Abstracts are accepted through the website until October 20, 2021 - <http://conf.tcti.uz>

Publication and registration fee

The organizational fee for each presentation of a full-time participant from Uzbekistan - 50,000 soums.

The registration fee for each presentation of an international full-time participant - 10 \$ (payment upon arrival)

Distance participation in the conference of an international participant - 7 \$.

To provide financial support for mono-reports of doctoral students and students - participation of 5 \$ (it is necessary to provide, together with the abstracts, a corresponding certificate from the place of study or a student card).

The registration fee includes payment for information materials, participant folders, rent of premises and office equipment, coffee break, lunch. Any form of payment is permitted.

After acceptance of the article and abstracts, receipts will be sent for payment for the publication fee

Payment is made by transferring money to the card 8600 1309 0445 8488 (SHAPATOV FERUZ

UTAGANOVICH). After making the payment, you will take a screenshot of the money transfer

receipt. You will be notified that a payment has been made for your thesis in the list of abstracts by clicking the upload button. You will then receive a confirmation that your thesis has been accepted after the payment has been verified.

You can pay through money transfers Zolotaya Korona (for CIS countries) or Western Union to the name of the recipient Pulatov Khayrulla Lutpullaevich (Khayrulla Pulatov). Phone number: +998935203660.

Key dates

From September 25 to October 20 - submission of abstracts

October 25 - Scientific program is published on the website

October 29-30 - working days of the conference

The address of the Organizing Committee for correspondence:

36, Navai avenue, Tashkent city, 100011 Uzbekistan.
